

Y6 CLUB	Maths Covered
Paper	Place Value
Tin	Squared and cubed numbers (up to 12^2 and 5^3)
Copper	Multiplication and division of fractions
Bronze	Converting measures
Silver	- Multiplying and dividing by multiples of 10 - Percentages (1%, 10%, 25%, 50%) - Addition and subtraction of decimals (1d.p) - Addition and subtraction of fractions (same denominator) - Multiplication and division of fractions - Times tables to 12 X 12 (multiply and divide)
Gold	- Multiplying and dividing by multiples of 10 - Percentages (1%, 10%, 25%, 50%) - Addition and subtraction of decimals (1d.p) - Addition and subtraction of fractions (same denominator) - Multiplication and division of fractions - Times tables to 12 X 12 (multiply and divide) - Squared and cubed numbers
Platinum	- Multiplying and dividing by multiples of 10 - Percentages (1%, 10%, 25%, 50%) - Addition and subtraction of decimals (1d.p) - Addition and subtraction of fractions (same denominator) - Multiplication and division of fractions - Times tables to 12 X 12 (multiply and divide) - Squared and cubed numbers
Diamond	- Multiplying and dividing by multiples of 10 - Percentages (1%, 10%, 25%, 50%) - Addition and subtraction of decimals (1d.p) - Addition and subtraction of fractions (same denominator) - Multiplication and division of fractions - Times tables to 12 X 12 (multiply and divide) - Squared and cubed numbers - Converting measures
